Do The Math

Word problem:

You're the 1%
Your yacht, jet, multiple residences—
Endless wars, poison water—
Champagne caviar lifestyles, Cayman Island crowd sourcing—
Your life—means
Minds of the 99%
Must be Silly Putty, Play Dough, in your hands:
Which math must you use?

- A. Addition
- B. Multiplication
- C. Subtraction
- D. Division...**

WHAT DOES DEMOCRACY LOOK LIKE?

Where
You punch holes
In small booths'
Irrelevant to me as
Who you pray to in synagogues, mosques
Temples, churches, storefronts—
Or, where hands, hips
lips, tongues go
In your bedrooms...
Where you put your foot
Down
Is
The
Question...
